PURPOSE OF PROGRAM

The purpose of The American Legion Baseball program is to develop Americanism and Citizenship. Therefore, American Legion Baseball players will not be allowed to smoke while in uniform. The use of nicotine products (smoking, chewing or vaping), profanity, or the use of intoxicating liquors will not be permitted in the dugouts or on the playing field at any time. Anyone found doing so may be removed from further participation. It also recommends that no form of any tobacco be permitted inside the ballpark as well as the playing field and dugout. Enforcement of this policy is mandatory.

The ND High School Activities Association Board of Directors, along with the ND High School Coaches Association, asked the Department Athletic Committee to cooperate with them in their efforts to curb the use of tobacco, alcohol, and controlled substances. This means uniform enforcement through local sponsors and management both on and off the field for all participants. We ask your cooperation.

CODE OF SPORTSMANSHIP

The Code of Sportsmanship, as printed in the National Rule Book, will be recited prior to all tournament games. Therefore, all teams are encouraged to institute reciting the Code prior to games during regular season.

NORTH DAKOTA BOYS STATE

The Department of North Dakota Athletic Committee requires that all teams refrain from scheduling league games during the week of North Dakota Boys State (**June 10 – June 15, 2018**) to allow for legion baseball players to fully participate in this worthwhile program. Any manager, coach, or other team official who is found to have used threats, coercion, intimidation, or other undue pressure to prevent or discourage a player from participating in the Boys State program will be subject to a minimum of one year suspension from NDALB for such behavior.

NATIONAL ANTHEM

The American Legion has adopted the following policy concerning the National Anthem for all for all of its programs based on this action:

RESOLVED, By the National Executive Committee of The American Legion in regular meeting assembled in Indianapolis, Indiana, on October 12-13, 2016, That The American Legion expects participants of all its programs to show proper respect to the Flag of the United States, at all times, including during the National Anthem: and be it further

RESOLVED, That the National Organization of The American Legion recommends to departments and posts that the chairman or director of any American Legion Program make clear to all participants in advance of the program that The American Legion has the expectation for rendering proper respect to the Flag of the United States, at all times, including during the National Anthem: and be it further

RESOLVED, That if any participant of any program of The American Legion cannot or will not live up to this expectation, the individual should not be a participant in American Legion programs: and, be finally

RESOLVED, That if any participant of any national-level program of the American Legion cannot or will not live up to this expectation, the individual will be removed from the program and not be allowed any further participation.

Therefore it is the policy of the Department of North Dakota Athletic Committee that any participant in a North Dakota program will be subject to the criteria and penalties cited above.

SCORE REPORTING REQUIREMENTS

The Department of North Dakota Athletic Committee requires that the host team for all games played in the regular season will report the scores of the completed games to either the phone number or e-mail address provided by the Department at the conclusion of play. The text, email message, or voice mail will include the following information. Winner, loser, final score, league or non-league status, and date of play.

It is critical to the success of the program to be able to provide timely results and accurate standings to the fans and participants of American Legion Baseball through the use of electronic media. Teams failing to meet this requirement will be contacted and will be subject to action up to and including loss of post-season eligibility.
