DEPARTMENT PREPARES TO ESTABLISH 2023 MEMBERSHIP PLAN

Again this year, we are forwarding the below questionnaire and asking that the Post Adjutant, and Membership Chairman get together with others from their post to complete and return this form. The information provided will be used, with other factors, in setting post membership goals.

Keeping in mind that the goal for the Department will be set by National Headquarters for the 2023 membership year at approximately 12,000, we ask that you consider a membership goal that is attainable and yet challenging. If every post requests goals that are below that of the previous year, we will have a difficult time reaching our National Goal.

We use the following factors when establishing membership goals:

- Losses to the post due to deaths and transfers-out;
- Gains to the post through the Direct Membership Solicitation Program and transfers-in;
- Veteran population in county area compared to membership enrollment;
- National's Goal set for the Department.

In order for us to use the requested information in setting your 2023 Membership Goal, we MUST have your completed questionnaire returned to our office by May15th. Again last year less than half of the posts returned the form. If we do not get the form in time, we will set goals the best we can.
