**North Dakota American Legion Foundation
Report to the 107th Annual Convention
of the
North Dakota Department of the American Legion
Harvey Peterson, NDALF Chairman**

Greetings all – it's good to be able to share with you the state of the NDAL Foundation again. I remind you that it was established to fund Legion Programs into the future should the Department be unable to do so. First conceived as the Legion Ongoing Veterans Endowment, or LOVE Trust in 1983, it was converted to a Foundation in 1994 because of the tax advantages a 501-c-3 tax exempt organization could offer donors. This Foundation has grown to its current assets of more than \$1.2 million because of those tax advantages and the support of individuals and Posts, many of whom are present here today.

The Directors and I again express our heartfelt gratitude to our donor supporters. The Foundation would not – could not have existed, much less grown, without you. Those of you who have contributed to the Foundation in any manner should take a bit of pride in what you have accomplished through your philanthropy. Every donation, large or small, has been part of a very real North Dakota American Legion success story.

The mission of the Foundation was expanded from simply building a pot of money for the future to one of more aggressively helping fund Legion Programs at the present. Foundation financial records prior to 2006 are incomplete but I am able to report that since 2006, the Foundation has provided the Department with \$167,400 for program support. We are aware that amount is miniscule compared to the actual cost of Department Programs. However, we limit the amount available for program support to 60% of the annual income from dividends and interest to the programs we currently support. Ten percent of the income from dividend and interest to a fund is used for administration and 30% returned to each fund for continued growth. In round numbers then, an amount approximately equal to 3% of the January 1 value of each fund is available for distribution in any given year.

Here is where things get interesting. The total Department budget for the programs supported by the Foundation in fiscal 2025-2026 was \$16,000. Let me list the ones the Foundation helped support this year:

- Oratorical - \$4,500 of a budget of \$5,800
- Band - \$2,500 of a budget of \$4,800
- Riders Scholarships - \$2,000 - all
- Nesheim Scholarship - \$1,500 – all
- Service Dogs - \$1,000 support for a department member
- Boys State - \$3,500 of an unknown budget
- VA&R – nothing; C&Y – nothing; Service Officer – nothing

As you know, the Band, the Riders Scholarships and the Nesheim Scholarship are loosely grouped into existing Legion Programs. But each of those have an endowed fund within the Foundation with the income to each fund credited to and donated to them annually upon request. The individual in charge of any program is required to submit requests in writing to obtain the money available, and recently, per IRS rules, must report to the Foundation, again in writing, just how the money was expended. That report starting this year, 2026, must be more detailed than it has been in the past.

Immediately however, you can recognize the disconnect between the amount required or requested, and the amount annually available under the current Foundation policies and goals. To be able to fund Department Programs in their entirety, and by that I mean not only the currently funded requests, but including the cost of the Service Officer and those associated expenses, C&Y and VA&R. Assuming the current income of 3% of funds available for dispersal then would require the Foundation to have a principal balance of at least \$5,000,000.

Therein lies a conundrum. To be able to fund all Department Programs even just at their current budgeted level will require the principal of the Foundation to increase by over 400% to be able to fund those programs in their entirety.

I don't need to tell you what is happening with Department membership – we all know it is declining. The May 26, 2026 membership report showed almost a 7% decline in membership just this year. Unless a lot of members, 141 as of that report, renew in June. the Department will end the year with fewer than 10,000 members. Since membership dues fund the Department Programs, it's obvious that the need for ever increasing support for the Department from outside sources is not in the future, it is now. In fact, it has been for some years.

The growth of the Foundation, especially in the past 3 years, has been largely driven by donations from those Posts with gaming activity and a handful of Foundation supporters who have stepped forward to make significant contributions. Larger, and yes, more donors, possibly outside of the Legion family, must be obtained in order to carry on our programs and fulfill the founders dreams of being able to carry on Legion Programs even now as well as into an indefinite future. Therein, however, does lie an opportunity.

If you look into Foundation funds you will note that many are named funds, named after or for an individual. Those funds were established and named to leave a legacy to that person. Think Schroeder, Kennelly, Nesheim, Rolfson, Tolchinsky and Jack and Hannah Williams. These names and funds will be a part of the Foundation and the department as long as they both exist. That leads me to ask this question: Who among us, past or present, within the Legion Family, would you like to remember by establishing a legacy in their name within the Foundation? We have, and we have lost, a goodly number of people who could have or should have been remembered in this way. A legacy is forever and it should be encouraged. I am positive that among us today exists one or more person or persons who have the means and the willingness who could fund a legacy for their departed loved one. Is that someone you?

The Foundation directors and I are open to suggestions that may benefit all involved with the future of the Foundation and of Legion Programs. Please don't hesitate to share your thoughts on any issue. I promise you we will listen.
